Ben Uruh and lady visited while in Dundee Monday.

Miss Stella Morrison was home from her school Sunday.

Erasmus Scherer is doing the mason work on the elevator.

Sam Base and Effie Schultz were married Wednesday of last week.

Mr. H. B. Uruh is having much sickness in his family lately. At present two of the family are bed fast.

John Uruh and Effie Base both of Pawnee Rock township were married in eastern part of the state recently.

J. R. Baker et al. bought the half section of land where the old Dundee sugar factory once stood. Consideration about \$4,800.

Jim Duncan and Mr. Morrison of Great Bend are working on the Moses Bros. elevator, also Wm. Ruhe and father. Jacob and Ben G. Uruh, A. Ratzlaff and Mr. Kern are employed to assist in constructing the Baker elevator.

Our town is very much on the boom order just now. Frank Baker is here building a large elevator. It will be thirty feet square, two stories high and will have a wagon dump. Moses Bros. are also making improvements on their small elevator.

A Sunday School is now organized at Dundee with Mrs. J. H. Harris as superintendent and Mrs. Emma Ratzlaff, secretary. Every one in the vicinity interested in the good cause should come out to help. We believe a good Sunday School can be maintained here if interested people will do energetic work.

TO THE DEAF.

A rich lady, cured of her deafness and noises in the head by Dr. Nicholson's Artificial Ear Drums, gave \$10,000 to his Institute, so that deaf people unable to procure the Ear Drums, may have them free. Address No. 4027c. The Nicholson Institute, 780 Eighth Avenue, New York.

HOISINGTON HUMMINGS.

F. R. Prindle is building a fine large house on his farm ten miles north of town.

Mr. Roy Eshner of Ottawa and Miss Ida Baker of Hoisington were married at Great Bend Saturday.

Charles Hall of near Millard is putting up one of the largest barns in the country. It is 36x68 with 19 foot sides.

This is the time of year when a piece of stray kindling wood in the street is picked up and used home as a thing of priceless value.

The Woodmen of Galatia are figuring on building a large hall, 24x60, one story high. \$500 has already been raised and work will soon begin.

CLAFLIN COMMENTS.

From the Clarion

John Dunston has just about completed a new addition to his farm house.

Joe Cummings is at his old home in Ohio this week, attending the funeral of his sister, Mrs. Creswell.

The happiest people in all the world are those who mind their own business, shun the traveling faker and read their home paper.

Threshing for this season is about finished and the machines are being run in and housed for the winter, or until the big crop of 1901 is ready to be pounded out.

Out north of town there is a school district known by the name of Vinegar Hill. At this school there are twenty-eight scholars enrolled, and out of this twenty-eight, thirteen answer to the name Smith. It is a sort of Smithsonian school, so to speak.

ELLINWOOD EFFECTS.

From the Leader.

The carpenters commenced work on the Lutheran church Wednesday morning.

D. Boese is making some improvements on his house in the north part of town, which he will move into soon.

D. E. Wilms and wife have moved to Hutchinson, where Mr. Wilms is permanently employed in the First National Bank of that city.

Joe Meyer's store at Silica was burned down a week ago Saturday night, when the family was away. Nothing was saved. We understand the loss is covered by insurance.

A pretty home wedding occurred at noon Nov. 14, at the fine farm residence of Mr. and Mrs. Aug. Weide, of the south side, when their daughter, Emma, was united in marriage to Mr. F. C. Thompson, of Stafford. The groom is an employee of the Santa Fe railroad. Despite the windy weather, a goodly number of Ellinwood people witnessed the ceremony. A splendid dinner was served and the guests enjoyed themselves greatly.

Now comes the man with face aglow who yells again: "I told you so!" His candidate, at last is in, he yells, elate: "I knowed he'd win!" Ere day's begun you hear him brag: "Us fellers won! hooray! hooray!" He whoops around, this windy cuss, emitting sound that wears us. He says: "I win a pile of dough, my man got in! I told you so!" Thus all day long we hear him yell, until we wish he were in—Missouri. —Eureka Messenger.

The clerk bowed politely and said gravely, "Madam, if you think your friend is in this last bolt I shall take it down with pleasure." They don't speak now as they pass by.
